

Ambassador Bariatric Arm Chair

The Ambassador is a stunning addition to any room. The detailed scroll work and ornate design provide a timeless charm. The solid construction of this magnificent piece provides strength and durability for long lasting endurance. The bariatric armchair provides additional ease and comfort for senior living.

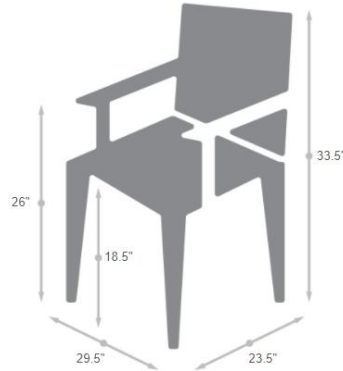

Bentley Bariatric Chair

The Bentley combines traditional and modern design in a durable faux wood chair with a scroll back and gently curved seat and arms. The frame is crafted from strong, lightweight aluminum, which makes this chair a good fit for heavy use in high traffic areas. The bariatric armchair provides additional ease and comfort for senior living.

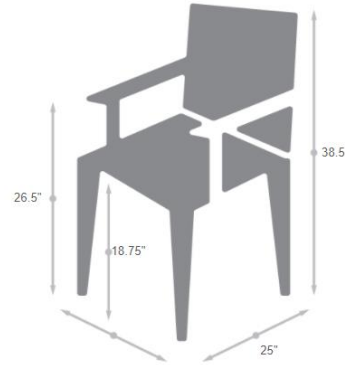

England Bariatric Arm Chair

The stackable England chair is attractive and extremely durable. The upholstered back and seat provide comfort and accommodate added customization. The design is simple and modest, making it the perfect choice for any establishment.

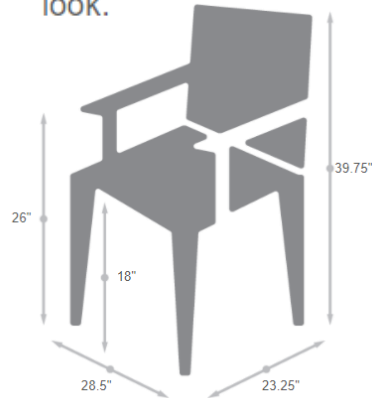

Kingston Bariatric Arm Chair

The Kingston Bariatric Chair is an attractive and extremely durable chair that is ideal for dining rooms or to bring a beautiful addition to any room. The wall-saving design prevents damage to resident rooms and public spaces. The catalyzed lacquer finish features an antimicrobial finish that helps prevent the absorption of germs, bacteria, mold, mildew, and some viruses.

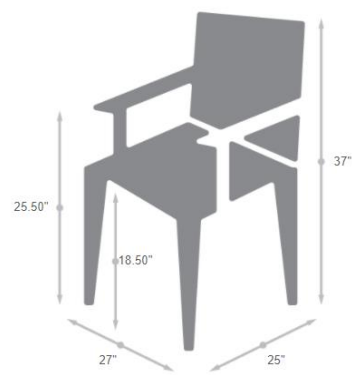

Remy Bariatric Arm Chair

The Remy is an elegantly designed dining chair with a stylish warmth that will add to any décor. The visible fabric on the back of the wood frame can be upholstered to reflect a more traditional feel or in contrasting fabrics for a unique look.

Sierra Bariatric Chair

The Sierra Bariatric Chair combines the lightweight strength of an aluminum frame with the warmth of a faux wood finish. The clean, progressive styling makes it a natural fit to update the look in many environments, while the plush comfort ensures residents and guests will always have the best experience.
